

**GENERALRICAMBI** S.p.A.

## OLD CORE RETURN STANDARDS

You don't have to accept the cores from your customers when :

- 1 CV JOINTS ARE MISSING OR DAMAGED**
- 2 THERE ARE MISSING OR BROKEN COMPONENTS**
- 3 DAMAGED SPLINES**
- 4 DRIVESHAFT BAR IS NOT STRAIGHT**

**Units with broken components cannot be re-manufactured**

**There is NO Core VALUE if any of the factors here listed are apparent**

**The pallets of old cores which are returned to GR must be STACKABLE**
